As "Best Lawyers: Ones To Watch" were awarded:

Corporate Law

Lucia Patrizzi (Frankfurt)

Labor and Employment Law

Adrianus De Kruijff (Cologne)

Public Law / Regulatory Practice

Dr. Michael Gayger (Cologne)

The category "Ones To Watch" includes younger lawyers who particularly stand out in the market. They have been practising for many years and have already acquired an exceptional reputation.

The US specialist publisher "Best Lawyers" bases its selection on an extensive peer-to-peer survey among commercial lawyers. They indicate which competitors they can particularly recommend in the respective legal practice area. This ensures the high quality of the recommendation lists. In Germany, the rankings have been published exclusively by Handelsblatt for many years.

We are very pleased about this recognition for avocado rechtsanwälte and would like to thank everyone who has contributed to this success!
