Press Release

October 2024

The law firms were determined by the US specialist publisher "Best Lawyers" which bases its selection on an extensive peer-to-peer survey of commercial lawyers. These indicate which law firms they can particularly recommend in the respective legal practice area. This ensures the high quality of the recommendation lists. In Germany, the rankings have been published exclusively by the Handelsblatt for many years.

We are very pleased about this success for avocado rechtsanwälte and would like to thank everyone who has contributed to this!
